**Attachments:** DRAFT - Sulfate PERMIT Language v2 (3-3-17).docx  
  
**Flag:** Follow up

Good morning Krista,

Please find attached draft proposed permit language for regulating sulfate at the WWTP at the NorthMet plant site. We would like to go through this with you in our call on Wednesday. (If you recall, we briefly discussed this subject a while back where we said we'd get back to you with something more tangible.)

Let me know if you have any questions...

Thanks!

Richard
